

International Photo Exhibition Celebrating the 70th Founding Anniversary of the People's Republic of China

On 18th October, our company CEO Mr. Fu Zhigang led the staff to visit the International Photo Exhibition Celebrating the 70th Founding Anniversary of the People's Republic of China. The exhibition is divided into three themes: "Standing up of Chinese People", "Spring Breeze of Reform and Opening-up" and "Forging ahead a New Era". With the display of vividly taken photographs, the exhibition shows the hard work and dedication of the Chinese people in the exploration of the socialism with Chinese characteristics for 70 years and the unremitting struggle and great achievements made to create a better life.

The event deepened the employees' understanding to the great history of our motherland as well as the country's hard-won prosperity today. The company employees share the joy of the anniversary and the glory and pride of being a Chinese.
