

Celebrating the 25th anniversary of Hong Kong's return to the
motherland

On the 25th anniversary of Hong Kong's return to the motherland, with the implementation of the Hong Kong National Security Law and the two major measures to improve the electoral system, "one country, two systems" is stable and far-reaching. Hong Kong, with the unique advantages of "one country, two systems" and the full support of the central government, will further integrate into the overall national development, meet new opportunities, and move towards a better future.

China Nuclear Energy Technology Corporation Limited celebrated this meaningful day together and felt the warm atmosphere of the anniversary together.
