

## **Chairman Mr. Zhao Yixin went to visit different corporations in Anhui, Jiangsu and Shanghai**

On July 11, 2020, Mr. Zhao Yixin, Chairman of the Board of Directors, held talks and exchanges with Zhao Shiyun, Party Secretary and Chairman of Anhui Construction Engineering Group Co., Ltd in Hefei.

Zhao expressed a warm welcome to Zhao Yixin and his delegation, expressing his gratitude for the trust and support to Anhui Construction for a long time. It is hoped that the two sides can give full play to their respective resources and advantages and continue to carry out in-depth cooperation in environmental protection projects, engineering and construction, finance and other business areas.

On July 13, Zhao Yixin and his delegation went to Nanjing to visit Jiangsu Kangyuan Pharmaceutical Co., Ltd. to exchange views on new energy equity cooperation and capitalization operation. He expressed the hope that the two sides will further strengthen friendly cooperation and achieve mutual benefit and win-win results.

On July 14, Zhao Yixin and his team met with Zhou Qimin, Chief Accountant of China Commercial Aircraft Co., Ltd., in Shanghai. Zhao Yixin introduced the situation of China Nuclear Investment in major industries and investment fields, he said that China Commercial Aircraft is a leading domestic large aircraft manufacturing enterprises. China He Investment will fully support and is willing to maintain close communication with China Commercial Aircraft and strengthen strategic coordination, capital operation as well as expand exchanges and cooperation in various fields to achieve mutual benefit and win-win development.

Zhou Qimin welcomed the visit of Mr. Zhao and his team. After a brief introduction to the development of China's commercial aircraft industry, he said that China National Nuclear Group and China Commercial Aircraft have a good basis for cooperation. In order to further promote the rapid development of the civil aviation industry, capitalization of the operation and other means can be a great boost. During the period in Shanghai, Zhao Yixin and his team also went to the Shanghai headquarters of China National Nuclear Corporation and The China Nuclear Society Shanghai Science and Technology Park project to perform a site visit.
