

**“Consistent effort on epidemic prevention while maintain economic operation”—— China Nuclear Investment Held A Special Meeting on Re-production and January-February Business Meeting**

On March 11, 2020, China Nuclear Investment Co., Ltd. held a video conference on the resumption of production and a regular meeting of the company's Deputy General Manager (presiding) Zhang Yong, managements of China Baoyuan Investment and executives of various departments attended the meeting. At the meeting, the Planning and Operations Department reported on the company's January-February operation, responsive measures to the epidemic, resumption of production and the key works plan of different business units. Chairman of China Nuclear Investment Co., Ltd., Chairman of the Board of Directors of China Nuclear Energy Technology Corporation Ltd., Mr. Zhao Yixin emphasized on the work requirements of the year. Wen Xinli, chief accountant of China Baoyuan gave guidance on the company's business.

Chairman of China Nuclear Investment Co., Ltd., Chairman of the Board of Directors of China Nuclear Energy Technology Corporation Ltd., Mr. Zhao Yixin showed recognition and gratitude to the vast number of workers who adhere to their work during the epidemic. Praise was given to their outstanding contributions, performance of the relevant units and personnel. He then gave direction to the company's next work requirements: Firstly, in accordance with the requirements of the upper-level customers and local government, the organization and management team at all levels must firmly win the conviction and focus on the work of prevention and control of the epidemic. Secondly, to ensure the safe and efficient operation of existing projects, actively promote key tasks, increase market development efforts and strive to overcome the adverse impact of the outbreak on the company's year-round performance. Thirdly, to seriously study the country's various preferential policies for the epidemic, and actively make good use of policy

support. Fourthly, to improve self-consciousness and enthusiasm of officers to start a business and to innovate the way of work, strengthen the build of work style, quality and quantity to complete the work. Wen Xinli said China Baoyuan will fully support the investment company to promote its annual key tasks. He requested the investment company to take the initiative, the courage to act and to ensure the completion of the 2020 business objectives.
